## **Procedure for Psychiatric Emergency**

If you believe you are having a psychiatric emergency, contact Lake City Counseling, LLC office during regular office hours. If the office is closed, you will be referred to our emergency number: 608 661-0805. You will then call to reach our on-call therapist. You may not always reach your own therapist.

Our goal is to contact you no later than 20 minutes after you call. If you do not hear from someone within 15-20 minutes, please call again.

If you cannot wait, please call 911 or go to the nearest hospital. If you live in Dane County, this would be the UW Hospital, St. Mary's Hospital, or Meriter Hospital. Notify them you are a client at Lake City Counseling, LLC.

If psychiatric hospitalization is required, you will be referred to one of the three hospitals.

We appreciate your cooperation.
